

CSE EVENT 2019

GAMING EVENT RULES AND REGULATIONS

1. NFS MOST WANTED

- 3-4 people will play a race at a time through LAN connection.
- All matches will be played in knockout mode
- Winners of each round will qualify to the next automatically until we have a single winner
- No do overs are allowed except technical problems
- Map, No. of Laps etc. will be declared on spot of the tournament

2. FIFA 19

General Tournament Rules

- The tournament will be a single bracket elimination round of all players.
- No of rounds will be decided according to the number of players participating in the tournament.
- The tournament will be played using the kick off mode.
- Custom squads or transfers are not permitted. You will play with the selected team on default squad settings and roster.
- Every team has the right to pause the game only 3 times for a break of 1 minute in which you can make substitutions or quick fixes on the tactics. The breaks are permitted only when the player which desires it is in possession of the ball.
- If at the end the match there is no winner (the result is a draw), the players will continue to play with "Classic Extra Time". If at the end of the additional time the players are still marking a draw, they will go to penalty shoot-out.
- Players must bring their console or setup as they fit.
